Final Total should be coming soon. Great Job.3. Casting for a Cause Update. Meeting last night results. We thought we were really far behind with collecting but we aren't as bad as we thought. Kevin is still looking for prizes, sponsors. Mike has a contact from Costco to help out with the fishing tournament. Mike and Kevin discussed having a pin designed for our events starting with Casting for a Cause. This will make a nice little award for anyone that sponsors or volunteers for our events.4. K-Kids Meeting Update – Only about 6 kids because of illness. They handed out awards for the K-Kids that helped with the pancake tournament.5. Charitable State Documents Update: Need one thing from Ed to finish up. It is only \$10/yr renewal. Also Curtis would like to renew our annual report which is \$150. If we file late the fee is \$400.6. Peter brought up the Breast Cancer Golf Tournament. Kevin makes a motion to be a Green Sponsor. \$200. We will check with Ed to see if funds are available.
